Thank you to our meeting sponsor and BPW Member Tami Milner!! Tami is married and mother of 5 amazing kiddos! She is a physical therapist by trade, but over the years felt the desire to be home. However, with several of them leaving the nest and the growing cost of college education, she began to search for a source of income that would continue to allow her the flexibility to be available to her family. She was beyond thrilled to have found R&F! She has not only enjoyed the residual income, but has found such love and support from her new family of fellow consultants. This company truly changes skin AND lives!!! You can email Linda at tami@themilners.com or visit <https://tamimilner.myrandf.com/> for more information.
