BPW COLLECT

Keep us, O God,
from pettiness;
Let us be large in
thought, in word, in
deed.

Let us be done with
fault-finding and
leave off self-
seeking.

May we put away all
pretense and meet
each other
face to face -
without self-pity
and without
prejudice.

May we never be
hasty in judgment
and always be
generous.

Let us take time for
all things;
Make us to grow
calm, serene,
gentle.

Teach us to put into
action our better
impulses,
Straight-forward
and unafraid.

Grant that we may
realize it is the
little things
that create
differences, that in
the big things
of life we are as
one.

And may we strive
to touch and to
know the great,
Common human
heart of us all, and
O Lord God, let us
forget not to be
kind.

- Mary Stewart

*The Collect was written by
Mary Stewart in 1904. At
the time she believed that
women working together
with wide interests and
important goals was a new
phenomenon, and that a
special meditation of their
own would give them a
sense of unity. The Collect
soon was adopted among
working women.*
